John,  
Attached are the responses to the comments you sent in your letter dated June 7, 2005. The task-level schedule for the RI/FS, requested in your letter, will be provided to Ecology by the end of July. If you have any questions or would like to discuss the comment responses, please let me know.  
Thanks,  
Arlene

Arlene,

We have provided draft responses to Ecology on their review of the 200-PO-1 SAP. Please pass this on to Ecology if you agree with our responses.

Thank you, <<200-PO-1\_Ecology (2).doc>>

Washington State Department of Ecology  
Comments on Sampling and Analysis Plan for 200-PO-1  
DOE/RL-2003-04, Rev. 1

**Comment 1.** Accept; will modify as suggested.

**Comment 2.** Accept; will modify as suggested.

**Comment 3.** Accept; Will add "...and as described in Section 4.1 of the Hanford Groundwater Strategy (DOE 2002b)" after "...as administered under WAC 173-303."

**Comment 4.** Accept; will modify as suggested.

**Comment 5.** Reject the first part of the comment. There are four occurrences in this SAP in which the Groundwater Performance Assessment Project is identified. Use of this project name does not imply a specific contractor or contractual arrangement.

The second part of the comment is addressed by the response to comment 3.
